### Financial Analysis

- ✅ **Savings Rate: 96.2%.** A healthy target is 15-20%. Excellent work!
- ✅ **Debt-to-Income Ratio (monthly payments): 0.0%.** Lenders prefer this to be under 36%.
- ✅ **Emergency Fund: 8.8 months** of coverage. Aim for 3-6 months for a strong safety net.
- ⚠️ The forecast for your **Total Outflow** shows a relatively **decreasing** trend. Keep this in mind for future budgeting.
